Passover Celebration and Good Friday

Two of the most important dates in the Christian calendar that we deeply cherish at our school are the Passover and the Passion, Death and Resurrection of Jesus Christ, two historic events that combine to one simple truth: the mercy of God for His people. The Passover Celebration will take place on Thursday, April 17 (regular school day). A symbolic Passover Celebration will take place in each classroom. **We ask for students to wear white or pastel colors on this day.**

The school will be closed on Friday, April 18 in observance of the Good Friday holiday.

Staff Development Day

Our monthly staff development meeting will take place on Friday, April 25th. All grade levels release time will take place at 3:00 p.m. on this day with **no after school care provided.**

Earth Week

It is very important for children to learn about our Earth and all the benefits we receive from and through it. One of the most amazing wonders about our planet is the fact that it sustains life as we know it because of its fine-tuning factor. No other planet in our solar system possesses such unique characteristic. That's more than enough reason to celebrate and to pass on to our children how to be good stewards of our amazing home we call Earth. Our Earth day related activities will take place during the week of April 21st - 25th. **Free dress will apply during this whole week.** Please be on the lookout for further details pertaining to the various events taking place in each classroom.
