## December Activities

### Christmas Program and Visit to the Less Fortunate

Due to the rising cases of COVID-19 in our city, our beloved Christmas Program will not take place during the month of December; rather, we are in the process of coordinating a Spring Program for sometime in March of next year. We will keep all parents posted of any updates in future newsletters/ProCare platform. We will not participate in the visit to the less fortunate either. We are in hopes that next year will allow us to partake in the festive activities that we have missed this last couple of years.
