STANFORD ACHIEVEMENT TESTS

The students in the Upper Elementary level will take the SAT on the week of May 1st through May 5th. This academic experience will allow your child the opportunity to obtain test-taking skills as well as for parents to see where their child's academic progress stands.

Please make sure your child gets a good night sleep and begins the following morning with a well-balanced and healthy breakfast. Mrs. Portillo is kindly asking for all students to refrain from being absent during this week of testing.

TEACHERS AND STAFF APPRECIATION WEEK

The week of May 8 through 12 will allow the opportunity to appreciate the Montessori Guides and Assistants whose key roles include guiding the students academically, socially and emotionally throughout the school year. Once again, a big "thanks" go out to these dedicated professionals.
