2022 – 2023 REGISTRATION FOR NEW STUDENTS

Starting on March 1st we began accepting the pre-registrations for the 2022 – 2023 School Year for returning students. The deadline was March 31st. Our front office is increasingly receiving inquiry calls from prospective families who are interested in Montessori. Our School Principal is offering individual Prospective Parent seminars to those families and the whole admission process will be followed to completion. We are very pleased to see and hear the enthusiasm those parents have expressed regarding the possibilities of being added to our family's roster.

2022 Summer Camp Registration

Our 2022 Summer Camp registration form was sent via e-mail (through ProCare) in the similar format as the 2022-2023 Returning Student Form. Parents may fill out the form and forwarded electronically. Please expect to receive further information regarding this activity from the front office.

Scholastic Book Fair

We're excited to announce that our tradition with the Scholastic Book Fair has continued this year. This activity has taken place on the week of April 4 to 8. There is no greater gift we can hand down to our children than the love for reading, and

the book fair is a formidable opportunity to promote such love among our children.

Book sales have exceeded our expectations and our students have truly been "wild for books"!

Passover Celebration and Good Friday Holiday

Two of the most important dates in the Christian calendar that we cherish deeply here at the school are the Passover and the Passion, Death and Resurrection of Jesus Christ, two historic events that combine to mark one single truth: the mercy of God for His people. This year the celebration will take place on **Thursday, April 14th** (regular school day). We will have a symbolic Passover Celebration in each of

the classrooms. We ask the students to wear white or pastel colors on this day. The school will close on **Good Friday, April 15.**

EARTH WEEK ACTIVITY

It is very important for children to learn about our Earth and all the benefits we receive from and through it. One of the most amazing wonders about our planet is the fact that it sustains life as we know it because of its fine-tuning factor. No other planet in our solar system possesses that characteristic. That's more than enough reason to celebrate and to pass on to our children how to be good stewards of our amazing home we call Earth. This year we will have Earth Day related activities during the week of April 18 -

2

22. This week is free dress week. More information will be sent home from your child(ren)'s respective environments.

April Staff Development Day

Our April Staff Development Day will take place at the end of the Earth Week activities on Friday, April 22nd. It is a regular school day schedule with **NO AFTER SCHOOL CARE**.

Parent/Teacher Conferences

The second semester Parent/Teacher Conferences are scheduled for April 28th & 29th. Upper Elementary students will observe a regular scheduled school day and no lunch will be provided for these students. Please pack a well-balanced and nutritious meal for your child on both days. **ONLY** infant Community, Children's House and Lower Elementary environments will have conferences. Please contact the front office to schedule your child(ren)'s conference.

May News

Stanford Achievement Tests - The students in Upper Elementary level will take the Stanford Achievement Tests the week of May 2nd. Please make sure your child gets a good night sleep and begins a new day with a nutritious breakfast during this week. We are proud to say that our students have been very successful in the past, and we are confident this trend will continue.

Teachers' Appreciation Week – May 9 thru 13

Although, Teacher's Appreciation Week officially falls on the week of May 2nd, the school will observe it on the week of May 9th due to the SAT Tests taken by the Upper Elementary students. This week will allow the opportunity to appreciate the Montessori Guides and Assistants

N.W.M.S. News

whose key roles include guiding the students academically, socially and emotionally throughout the school year. Once again, a big "thanks" go out to these dedicated professionals!!

Last Day of School

The last day of school for the 2021 -22 School Year will be Thursday, May 26 which will be a regular day schedule. Each class will send information on the activities for this last day.

NOTE: No uniforms are required during the last week of school.
